

Formula 1 Scholarship

for UK Engineering students from an underrepresented background

Formula 1 is offering 2 scholarships of £20,000 to new undergraduate students studying an Engineering degree at the University of Cambridge. The award will cover tuition fees and a significant contribution towards living costs for up to four years of study. It is offered to a student from a low income and/or disadvantaged background and either identifying as female, or identifying as male and from an underrepresented ethnic minority group.

Applications are open from August 17 to September 3, 2023.

If you have a confirmed place for entry in 2023 and meet the eligibility criteria, we would encourage you to apply. For more information and an online application form please visit
